Analysis Summary

This Cosmic Connections analysis reveals the intricate relationships between planets, houses, and nakshatras in your birth chart. The connections show how different planetary energies interact and influence various aspects of your life. Key findings include:

- Planet-House Lord connections show which planets rule which houses
- House Lord placements reveal where your house lords are positioned
- Nakshatra Lord connections show nakshatra lord relationships
- Planet aspects demonstrate how planets influence other houses

This analysis follows traditional Vedic astrology principles as outlined by Parashara.
